### 4. Change in Basic Policy on Profit Sharing

We believe it is important to take action that strengthens our corporate structure and continues to expand our business to increase shareholder value. In terms of returning profit to shareholders, our policy is to make stable, continuous dividend payments to our shareholders while enhancing internal reserves to realize these goals.

At the meeting of the Board of Directors held on November 10, 2022, the Company formulated and resolved a policy to acquire treasury shares, as a measure to return earnings to shareholders. The Company will resolve the specific implementation of the acquisition of treasury shares at a separate meeting of the Board of Directors and will disclose the details of said implementation at that time.

The resolution described above is a resolution of Company policy. Details of the acquisition of treasury shares will be implemented flexibly based on a general consideration of a variety of factors, such as investment opportunities, financial condition and share-price levels.

## **(5) Segment information, Etc.**

### **(i) General information regarding reportable segments**

The Group's reportable segments are components of the Group for which separate financial information is available, and which are subject to regular review by the Board of Directors for the purpose of making decisions about the allocation of management resource and assessing the segments' performance.

The Company and its consolidated subsidiaries separately develop and conduct business activities that directly relate to their various customers, and that are mainly based on market and customer service offerings. In accordance with these considerations, the Group's reportable segments are classified by market and customer service offerings and comprise the "Payment," "Lease," "Finance," "Real Estate-Related" and "Entertainment" business segments.

The Payment business segment mainly consists of the credit card business, which is the Group's major segment, and various peripheral businesses closely related to the credit card business.

The Lease business segment operates the Group's leasing business which is centered on the leasing of office equipment.

The Finance business segment consists of the credit guarantee business and the finance related business.

The Real Estate-Related business segment comprises the real estate business and the real estate leasing business.

In the Entertainment business, the Group is developing an amusement business centered on the management of amusement centers/arcades.
