Director Terutaka Hasuda resigned on February 28, 2006. Director Shinji Hojo, Hisayuki Kurata, and Akira Kuramitsu resigned on February 28, 2007. And the term of office of Director Atsushige Takahashi, Hiromichi Sato, and Statutory Auditor Toshio Sakai will expire on conclusion of the coming general meeting of shareholders. On April 18, 2007, the Company decided to abolish the retirement benefits scheme for Directors and Statutory Auditors on the conclusion of the coming general meeting of shareholders. Prior to the abolishment of the scheme, however, the Company proposes to grant retirement benefits for 13 Directors who will be re-elected when Proposal No. 2 is approved, namely Directors Hiroshi Rinno, Teruyuki Maekawa, Toshiharu Yamamoto, Hidetoshi Suzuki, Kazufusa Inada, Naoki Takahashi, Mitsusuke Yamamoto, Kenzo Tada, Takayoshi Yamaji, Kyosuke Togano, Chikako Yokoi, Hideo Suzuki, and Hong Tae Kim in amounts within a reasonable range based on the Company's internal regulations based on their service periods until the conclusion of the general meeting of shareholders. Proposal No. 6: Payment of bonuses to Directors and Statutory Auditors

Considering net income for the business year, past payments of bonus to Directors, and other given conditions, the Company proposes payment of a sum of 150,000,000 yen to 15 Directors and 3 Directors retired during the business year but not including the Outside Director as of the March 31, 2007 and payment of a sum of 8,000,000 yen to 2 full-time Statutory Auditors as of March 31, 2007 based on their service period. It is also proposed that the decisions as to the specific amounts of money, timing and method of payment to the abovementioned Directors and the Statutory Auditors be respectively entrusted to the Board of Directors and the Board of Statutory Auditors.

Proposal No. 7: Revision of amount of compensation payable to Directors and Statutory Auditors

The amount of compensation payable to a Director and a Statutory Auditor of the Company has been set respectively to a monthly amount up to 40,000,000 yen (not including the portion of salary paid to the Director as employee) and up to 6,000,000 yen at the 45th ordinary general meeting of shareholders held on June 29, 1995.

On April 18, 2007, the Company decided to abolish the retirement benefits scheme for Directors and Statutory Auditors on conclusion of the coming general meeting of shareholders, as part of revising the scheme of compensation payable to Directors and Statutory Auditors. In addition, the provisions of Article 361 Paragraph 1 and Article 387 Paragraph 1 of the Corporate Law stipulate that "compensation" for Directors and Statutory Auditors shall be paid as consideration for their service to the Company, and accordingly count their bonuses.

Considering the abovementioned circumstances, the abolishment of the retirement benefits scheme, and further reinforcement of the auditing system, the Company proposes revision of annual compensation, including payments of bonuses, payable to a Director and a Statutory Auditor to the limit of 750,000,000 yen for a Director (50,000,000 yen for an Outside Director) and to the limit of 150,000,000 yen for a Statutory Director.

It is also proposed that the decisions as to the specific amounts of compensation for Directors and Statutory Auditors be respectively entrusted to the Board of Directors and the Board of Statutory Auditors. In connection with this, compensation for a Director shall not count the portion of salary paid to the Director as employee as in the past.

At present, the number of Directors, including 1 Outside Director, counts 16, while the number of Statutory Auditors counts 4. When Proposal No. 2 and Proposal No. 3 are approved as proposed, the Company will have 16 Directors, including 1 Outside Director, and 5 Statutory Auditors.
